Dear Mohit:

Congratulations! I am pleased to inform you that you have been admitted to California State University San Marcos for the spring 2023 term as a freshman student pursuing a bachelor's degree in Chemistry. Please be advised that you must maintain the required CSUSM admission criteria to remain eligible for the spring 2023 term.

Our spring term begins January 23, 2023. Our current estimated yearly tuition and fee cost is \$17,226, with an estimated additional cost of \$19,488 for room and board, books and supplies, transportation and personal expenses. The length of study of the CSU baccalaureate degree is a 120-unit, four-year degree.

Please be advised that estimates for time to graduate will depend on your program of study, your academic preparedness and potential need for additional courses. Based on your current academic level, major and previous coursework in mathematics, you may be required to take additional mathematic courses.

**Orientation Requirement:**

All students admitted to Cal State San Marcos are required to attend orientation. For International Students, you will attend **International Student Orientation** with the **Office of Global Education** and will receive more information from them shortly.

**Dates of spring 2023 International Student Orientation:**

- **January 17-19, 2023:** Mandatory orientation for all international students

We look forward to your enrollment at California State University San Marcos.

Sincerely,

Colleen Manthey  
Assistant Director, International Admissions

Wilkes Identification Number (WIN): 900162204

Dear Mohit,

Congratulations! I'm excited to inform you of your official acceptance to Wilkes University for Spring 2023. Your credentials demonstrate the ability to be a successful and active member of our community and I'm thrilled to welcome you to the Colonel family! You have been accepted into Wilkes University as a student in our Chemistry program. This is the first step to joining an elite network of students, faculty, staff and alumni here at Wilkes.

Your classes will start Tuesday, January 17, 2023. Please arrive on campus by January 8th at the latest to attend our mandatory orientation beginning on January 10th.

Your admission to Wilkes is contingent upon successful completion of your senior year in high school. If you have not already submitted your official final high school transcript to Wilkes, please know that it is due to Wilkes by the first day of orientation.

I am also pleased to award you a total amount of **\$21,000.00** towards your Wilkes undergraduate education. Your \$21,000.00 award will be evenly distributed for each fall and spring semester throughout your undergraduate studies. The total is comprised of the following award(s):

International Scholarship : \$21,000

Acceptance to Wilkes University conveys all of the rights, responsibilities and expectations established for Wilkes students. As a member of our community, we pledge to offer you a rigorous course of study, enhanced by an active learning environment and engaged faculty. Wilkes University will provide exceptional educational experiences and support to help you realize your greatest potential for success and develop a clear vision for your future.

To make your commitment official, please submit your non-refundable, \$300USD tuition deposit, by accessing your [online application portal](#). Your success has no limits and we look forward to you continuing your greatness here at Wilkes!

Warm regards,

Abby Love  
Associate Director of International Admissions
