## LETTER OF RECOMMENDATION

Its my pleasure to write a letter of recommendation for Komaldeep Kaur D/o Sh. Jasvir Singh/Smt. Kulvir Kaur , holding Registration no. BS/15/10086897009 and Roll No. 2019386423 who has passed XII<sup>th</sup> Humanities from our school in the session 339/450 Marks in March 2019. Her medium of instruction in XII was English. I believe that she is an attentive student. She has positive attitude towards study. She is very hard working and honest student. I feel she is able to take up the responsibility of working alone and in the team. She possessed good verbal and written presentation skills.

I strongly believe, she possesses truly remarkable ability to apply theory to practical situation and a high motivation to keep abreast with the latest information in her field of study.

I am confident that Komaldeep Kaur will continue to be very productive. She is an able student and will make a welcome addition to your reputed institute.

I strongly recommend her candidature for higher studies at esteemed university/college.
