TO WHOMSOEVER IT MAY CONCERN

I am pleased to recommend Dr. Apneet Kaur who is applying for the post Graduate Program in your University. I have known Dr. Apneet for the last 5 years as a good student in Mai Bhago Ayurvedic Medical College & Hospital for women, Sri Muktsar Sahib.

Through my interaction with Dr. Apneet Kaur I have found that she has a sharp brain with an excellent grasping power and logical bent of mind. She is hardworking and sincere and her academic performance duly reflects her.

Dr. Apneet Kaur has the zeal to learn new things and she always try to find out new unconventional ways of learning things, which makes her stand out of the crowd. Throughout the last 4 years of my interaction with her. I found that she was very sincere and regular. She was punctual with all her submissions and would do it with utmost sincerity.

One particular quality of her, which stands out in my memory, is her empathy towards her patients. Her modest outlook in life, friendly nature and good communication skills has made her an easily approachable person upon whom one can trust blindly.
