## Letter of Recommendation

(It May Whom It May Concern)

I, Geeta Sharma have great pleasure to write this letter of recommendation of Mr. Khusheet of our school of his higher education abroad. He has done 10+2 (2021-2022) from this school. His performance in my class was good. He has always seen an active student and well known for her positive attitude and perseverance.

This student has lot of potential to learn and grow. If he is given an opportunity to study abroad, he will be able to explore his abilities. I highly recommend Mr. Khusheet to get admission for higher education from abroad. He will truly be an asset to the institution.
