Letter of Recommendation

It is my great pleasure to write this letter of recommendation for **Ms. Khushpreet D/o Jiwan Ram** for her higher study at foreign institution. She has passed 12th class from Aarohi Model Senior Secondary School Jalalana in the session 2019-20. As per school record her date of birth is 16-07-2001. She was a sincere, reliable and disciplined student. She was dedicated towards the assignment given to her and she finished every assignment on time. She also participated in various co-curricular activities. She is very attentive while performing activities. She has a wonderful connection with her teachers which makes her work hard. She takes every challenge in a very positive way.

I would highly recommend **Ms. Khushpreet** for further studies at foreign institution. I am confident that she would continue to demonstrate the same diligence and optimism she shows to me and to her peers.

I wish her good luck for her future endeavors.
