All students must submit official copies of final transcripts/diplomas from all previous institutions prior to enrollment – These documents must show proof of graduation or course completion dates.

Please visit <http://admitted.saintleo.edu> for the Admitted Student Checklist, which is your guide to the next steps for your arrival and enrollment at Saint Leo University. All financial and immigration documentation must be received by the Center for Global Engagement in order to create your Form I-20. Additionally, please visit www.saintleo.edu/international to determine if you are required to submit additional English proficiency scores. For your convenience, you may submit your deposit online at www.saintleo.edu/deposit; this deposit will be credited toward your future tuition charges.
