**LETTER OF RECOMMENDATION**

It's my pleasure to write a letter of recommendation for Karan Kulraj Singh s/o Ranjit Singh who has completed his schooling at YS Public School Handiaya, Barnala. He was a bona fide student at our school. I got the opportunity to observe and assess his scholastic and leadership skills. He possesses the capability of presenting his ideas cogently and is driven to help people around him, regardless of their age and class.

Karan was a good student, often bringing insightful questions on the material to his teachers after class. More than getting work finished on time, he strived to understand and apply the material in daily life. He was always prompt and insightful with his work, and was a frequent contributor in the class. His analytical ability and understanding of the issues were commendable. He had a lot of creative ideas, but he was also open to accepting suggestions and criticism. He always completed his assignments and duties on time. His work has always been self-styled and skilful.

Karan actively participated in Robotics events during his school years. He has also been recipient of 'Voice of YS' Award. Moreover, he has a very impressive personality and good communication skills. He knows different backgrounds. Without any doubt, I can assure you that you are dealing with a person of great moral character. He has been hard-working and operates with integrity. Karan has been critical, perceptive and aggressive, but not overbearing; his criticisms have always been honest and appropriate.

All these qualities make him an excellent candidate for admission at your institute. Thus, I am glad to make a recommendation for him.

Thank you for your time, and if you have any questions, please feel free to contact me.
