Letter of Recommendation

It gives me immense pleasure in writing this recommendation letter for Ramanjot Singh S/o Navinder Pal Singh who was bonafide student of this institution to support his application for higher studies in abroad.

Ramanjot Singh (Roll No. 2015/124) completed his Diploma in Electrical Engineering during the session July, 2015 to June, 2018 from Thapar Polytechnic College, Patiala (Punjab) India. He had been an excellent student. He demonstrated a firm grasp of the topics being taught in the class, made efforts to gain an in-depth knowledge of the subjects. His ability & readiness to learn topics which were not covered in courses through self-study impressed the faculty. Apart from this he was also passionate about extra-curricular activities.

Ramanjot Singh has always been punctual and was respectful towards his teachers. His case of admission for higher studies in abroad, is therefore highly recommended.

I wish him all the best in life.
