TO WHOM IT MAY CONCERN

With utmost enthusiasm, I'm writing this letter of recommendation to endorse Lakshay application for your program. I have known Lakshay in my capacity as his principal for over three years and I hope that my year's worth of perspective in mentoring numerous Fashion Design students will enable you to evaluate this exceptional candidate.

In terms of aptitude, motivation and hard work Lakshay has always been a fine student. His performance can be interpreted through his clear concepts and strong fundamentals, which have always enabled him to grasp new ideas and topics with relative ease. He is an independent thinker and is always seeking to learn new ideas and concepts. He has shown great dedication by venturing beyond the scope of the subject ideas.

In college, Lakshay has been an active participant in classroom discussions. He has always submitted his assignments well before deadlines and he is well focused with a keen interest in the practical application of the subject. What struck me instantly was his commitment to his work and his desire to achieve excellence in whatever he undertakes.

I sincerely believe Lakshay will bring his unique energy, optimism, passion and tireless creativity to your class and University as a whole. So, he has my highest wishes for admission in Master Course as a candidate with sharp skill set as his will prove to be an asset to any college or university.
