Letter of Recommendation

At the request of Ms. Ramandeep Kaur who is currently applying to your esteemed university for embarking on a master's program. I am very happy to recommend this letter for her. I had taught her Child Health Nursing in her 1st year and Nursing Research in B.Sc. (N) Post Basic 2nd year. She is an intelligent, inquisitive, yearns, to gain and in-depth knowledge. She is highly motivated, determined, and co-operative with analytical aptitude.

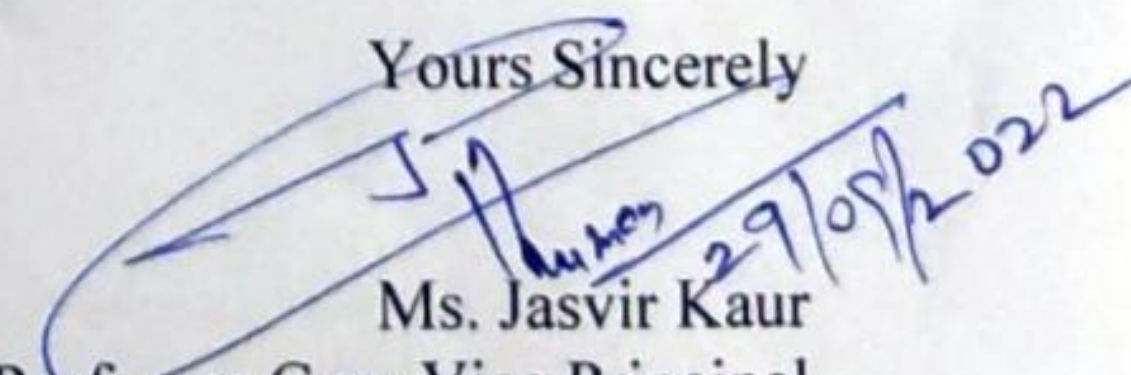

In this context I wish to place on record the consistently brilliant academic performance of Ms Ramandeep Kaur during her 2 years study in the college of Nursing, AIMS, Sri Muktsar Sahib. She impressed me deeply with her hard working, goal oriented student of lively personality and creativity. She possesses an excellent communication skills, uncompromising and remarkable ability to grasp and retain knowledge and skills.

Besides living per servant and she has been enthusiastic in curricular, extra-curricular activities and computer studies. Though Ms Ramandeep Kaur has consistently exceeded in all areas of course work, the best example of her intelligence is shown through her research project that she carried out during 2 years of degree course her internship.

In my view Ms Ramandeep Kaur D/O Gurwinder Singh student is a with outstanding intelligence and determination compares favorably with the best among my students. I am sure she will make an outstanding student.

She has my whole hearted support.

Yours Sincerely

Ms. Jasvir Kaur

Associate Professor Cum Vice Principal
College of Nursing, AIMS, Sri Muktsar Sahib.

(LETTER OF RECOMMENDATION)

This is to certify that Ms. Ramandeep Kaur D/o S. Gurwinder Singh have been completing the B.Sc.(N) Post Basic course in 2015 from this college. I have found her to bright in creativity and clinical abilities, he showed a deep and abiding interest in practical aspects of Nursing in different departments of patients care in the hospital like in emergency, special ward, I.C.U and she has good communication skills with lot of patience to understand the problem and the needs of patients.

During her degree she gain practical experience in Fundamentals of Nursing, Medical Surgical Nursing, Mental Health Nursing, Obstetric Nursing and gynaecology, Paediatrics Nursing and Community Health Nursing and gained good skills to understand the problem of patient.

Above qualities that will be an asset in her higher studies in the field of Nursing.

I wish success in her future.
