Letter of Recommendation

I am pleased to issue recommendation letter towards Jatin Kumar, who has successfully completed 10+2 Commerce class from our School in session 2019-20 under Roll No 2020218898 and registration no. BS/18/30093105005. During his study I got the opportunity to closely interact with him over a period of One year. He opted English and impressed me with his learning skill. He was an intelligent, energetic, and motivated and has good understanding of English subject. I have always found him to be very committed and hard working. He was very good in English. He has a keen interest and talent for English. He was always keen to share and learn new skills. Having known him as a student, I state confidently that he can accomplish any task assigned to him with devotion and bring laurels to the institute in which he studies. So, I strongly recommend his admission into your university with adequate financial aid and I am sure you will also feel the same.
