

FINANCIAL STATEMENT FOR INTERNATIONAL STUDENTS ON F VISAS

International applicants requesting immigration documents from IUP must submit a financial statement that shows their best estimate of funding sources to support their studies and cost of living. Once a student is admitted, the Office of International Education will work with students to confirm their funding sources (scholarships, loans, assistantships) and request more documentation prior to issuing an I-20. IUP does not offer full scholarships. When applying for an F-1 visa at a US consulate, students will need to share very detailed bank statements, tax documents or additional proof of finances.

International Student Dependent Information

Please complete the following section to obtain an I-20 or DS-2019 form to bring your **spouse and/or dependent children** to the US. **Parents or other relatives are NOT eligible for F-2 visas.** The OIE will issue an I-20 or DS-2019 for a fiancé(e), but keep in mind that in order to obtain a dependent F-2 or J-2 visa, your spouse will need to demonstrate proof of the marriage during the visa interview. Dependent children must be unmarried and under 21 years of age. You must demonstrate the ability to support your dependents by providing <u>proof of additional funding</u> (Total cost + \$5,000 for a spouse and/or \$3,000 for each child). This is in addition to the funds used to cover your tuition, fees, and living expenses. This amount must be shown regardless of the length of time your dependent(s) will stay in the U.S. F-2 visa holders are not authorized to work in the U.S.

Affidavit of Support

Shoreline Community College International Student Admissions

All F-1 students are required to demonstrate adequate financial resources to live and study in the U.S. Although students only need to provide documentation for the first year, it is important that there be adequate funding available for the entire duration of their program.
