Kaithal Haryana 136021 India

Dear Ajay Kumar,

Congratulations! I am pleased to inform you of your Regular Admission to the undergraduate Chemistry program in the College of Arts & Sciences at Indiana State University for Spring 2023.

Go to: [indstate.edu/checklist-international](http://indstate.edu/checklist-international) and complete each step. The University uses your student e-mail account as the exclusive means of providing important information to you. If you have difficulty activating your portal, please contact the help desk at: 888-818-5465 or [it-help@indstate.edu](mailto:it-help@indstate.edu).

**You are required to arrive on campus no later than January 4, 2023.\***

Required Programs Thursday, January 5-Friday, January 6, 2023:

- English Placement Test
- International Student Orientation
- New Student Orientation including registration of classes with academic advisor

Please make travel arrangements which will allow you to attend this important event.  
[indstate.edu/ips/prearrival](http://indstate.edu/ips/prearrival)

Please let us know how we can be of further help to you in your planning. For answers about your immigration status, travel, or orientation to Indiana State University, please contact the Center for Global Engagement (CGE) at 812-237-2440 or [isu-ips@mail.indstate.edu](mailto:isu-ips@mail.indstate.edu). When contacting CGE, please note that your university identification number is 992027358.

Sincerely,

Faith Haley  
Executive Director of Admissions
