## LETTER OF RECOMMENDATION

It would be my pleasure to SNEHA for the related programme . I am HARKANWALPREET KAUR , SNEHA'S teacher and have taught her for about 2 years.

While being a student at Divine Public School , SNEHA has been a pleasure to get to know and teach. She has always been eager to learn and enthusiastic about new challenges. I think this strong interest will help her to achieve great things at your institute/college.

Outside of the classroom, She has participated in multiple activities. In doing so She shows a great sense of communication and joy for working with other people.

I have seen many examples of her talent that has impressed me with her hard work and her go better attitude.

SNEHA is an important part of our academic part of our community and would make an excellent contribution to your institute/college. I encourage you to look favourably on SNEHA 'S application.
