### TO WHOM IT MAY CONCERN

As per the rules of the University, a student will be issued a consolidated Academic Transcript at the end of each term, indicating the grades secured for all the courses registered up to that term. The final Academic Transcript is issued on the completion of the program subject to the fulfillment of all the requirements specified for the award of degree for that program. This final Academic Transcript shows the term wise performance of the student in all the terms of the program till the completion of the program.

On the completion of a particular term, the complete term wise provisional result (upto that term) is issued to him. All the provisional results of previous terms issued to him (with respect to the particular term) will become null and void after issuance of the updated consolidated result of the term.

With reference to the case of Mr. Abhishek Aneja (Registration no. 11410603, batch 2014) S/o Mr. Krishan Aneja was a registered student in the Program: Bachelor of Science (Agriculture) (Honours). He had no backlogs or reappears in any program course of any particular semester at the time of completion of the program. He has successfully passed the said program in the year 2018 with an overall CGPA 9.27 (Equivalent Percentage 83.43 %).

Again it is reiterated that, the University does not issue Academic Transcript of individual terms rather a consolidated Academic Transcript, mentioning the result of each term specifically is issued to the student at the completion of program.
