

STATEMENT OF PURPOSE

I am **Prabhjot Singh**, a resident of **Amritsar, Punjab, India**. I completed my **Matriculation** from the **Punjab School Education Board** in **2017**. Further, I completed my **Senior Secondary Education** from the same board in **2019**.

I wish to continue my further studies from the United States of America because of various reasons. First and foremost, it offers top notch education which is recognized as among the best and innovative in the world. Secondly, American Universities are widely recognized for its existence as they deliver practical and career –oriented education so that students can acquire skills and knowledge required to enhance their career. Thirdly, it stands among popular study destinations with international students from across the globe.

Lincoln University is one of the most prestigious and old varsity of USA. The university is known for playing a vital role in the students' lives. The quality of education, citizenship, personal guidance, and overall development provided by the university makes it exceptional and worth. The university offers a diverse and multicultural environment that will help me in my overall growth. It will enhance my social skills and lead to my personal growth. Along with in classroom and subject centred learning, staying with people from different cultural backgrounds will help me gain knowledge and develop analytical skills too. The curriculum and traditions followed are comprehensive, value centered learning experience emphasizing on faith, leadership, inclusiveness and personal development. Lincoln University has grown into a quality university with excellent student satisfaction and internationally recognized. Students and graduates at Lincoln University are among the best in the world, with many fulfilling crucial roles in the society. Their outstanding achievements have been recognized throughout the USA I believe that Lincoln University programs will help me to strengthen my knowledge with equal emphasis on skills leading towards a better and sustainable career path in near future. Therefore, I have chosen Lincoln University for Bachelor in Echocardiography.

An echocardiography, echocardiogram, cardiac echo or simply an echo, is an ultrasound of the heart. It is a type of medical imaging of the heart, using standard ultrasound or Doppler ultrasound. Echocardiography offers a career track as varied and diverse as the field itself. Job possibilities include adult and paediatric scanning, contract/travel positions, research, industry-related positions, teaching, hospital administration, or any combination thereof.

The USA is one of the best nations to consider when planning studying abroad. The education system in the United States is crafted and designed in a manner that it is the best education system in the world. Though none of the education systems is perfect and the USA is no exception to this rule yet, it is one of the superior systems. With a variety of benefits to offer, the USA is my choice since it provides quality education, a unique curriculum, and a multicultural environment. The education system is flexible and provides abundant opportunities. The lively and vibrant campuses, cultural diversity and hospitality offered the international students are impeccable and add up to make the USA a dream study destination.

The USA has a good number of universities to choose from. After an in-depth research I have selected my dream college **Gannon University, USA**. With a top-notch faculty and infrastructure it is one of the best universities that offer outstanding education in the states. Gannon University has two beautiful campuses which offer a variety of courses to choose from. The unique location and facilities create a special atmosphere conducive to learning, scholarship, research, service, and personal growth. Gannon is a Catholic, Diocesan University and therefore the curriculum and traditions followed are majorly inspired by catholic culture that is comprehensive, value centred learning experience emphasizing on faith, leadership, inclusiveness and personal development. The varsity makes sure that every part of their student's education serves a purpose and brings them closer to accomplishing their professional goals. Their excellent and rigorous curriculum, outstanding faculty, and convenient facilities provide all the necessary components to ensure my path to a successful future. This university is one of the youngest and most dynamic institutions in the area. This university will provide me with professional education and I will be prepared for active participation, career advancement, and leadership in the global society. The institution intentionally embraces diversity and equal opportunity. Each program within this university is designed to ensure that all of the acquired knowledge and skills are valuable to

its students, providing a practical and solid foundation for the student's future. I have basically been selected to study **BS Chemistry**.

A chemist's impact extends beyond the lab. This course will help me outshine and gain an upper hand in my field of expertise. Through this course I will be able to make a meaningful impact on people and places around the world by revolutionizing drug discovery, studying green chemistry, or influencing materials design. I will have a variety of career opportunities open for me in my home country. With a degree from the Gannon University, USA will be impactful and help me create a better mark than others in my chosen field. With cut throat competition and increasing demand for good business development skills this degree will be a valuable asset for me.

Yours Truly
