Grades & Scores

GPA

What is your unweighted GPA to the nearest decimal?

3.5

All students who apply to Saint Leo University will be considered for our robust Honors Program. The minimum requirements for admission to the Honors Program are a high school GPA of 3.5, and an SAT score of 1270 (on the 2016 SAT) or the ACT equivalent of 26. Students who have the equivalent GPA but do not meet the SAT or ACT requirement may petition to apply to the Honors Program by writing an essay and having a high school teacher write a letter of recommendation confirming their aptitude for independent and collaborative work at the college level. They may also be asked to take a separate examination administered by the Honors Director.

What GPA scale is used?

4-Point Scale

Saint Leo University does not require undergraduate applicants to submit SAT or ACT scores as part of the admission process

should they choose to apply under the test-optional policy. Prospective students who choose not to submit standardized test scores for review will receive full consideration, without penalty, for admission under this policy.

Do you want standardized test scores (SAT/ACT) to be considered in your admission decision? No
