Dear ARSHDEEP SINGH,

Congratulations! On behalf of the Admissions Committee, it is our pleasure to inform you that you have been admitted to Saint Leo University for **Fall I of 2023** majoring in **BS: Biology - General Biology**. As the first Catholic institution of higher education in Florida, we are proud of our heritage and our continued commitment to our core values of Community, Excellence, Respect, Integrity, Personal Development, and Responsible Stewardship. We invite you to join our international community of learners, representing over 100 countries around the world.

Based on your academic qualifications, we are pleased to offer you the following \$15,000 Scholarship. This award is renewable each year provided that the student meets renewal conditions as defined by the Undergraduate Academic Catalog.

All students must submit official copies of final transcripts/diplomas from all previous institutions prior to enrollment – These documents must show proof of graduation or course completion dates.

Please visit <http://admitted.saintleo.edu> for the Admitted Student Checklist, which is your guide to the next steps for your arrival and enrollment at Saint Leo University. All financial and immigration documentation must be received by the Center for Global Engagement in order to create your Form I-20. Additionally, please visit www.saintleo.edu/international to determine if you are required to submit additional English proficiency scores. Students who fall below the University's English language proficiency requirement will be automatically placed in the Bridge Program and must complete their required English courses.

Based on your submitted English proficiency scores, you have been placed into the Bridge Program. If you would like to submit updated scores, this must be completed prior to July 15, 2023. Test scores submitted after this date will not be considered.

To accept your offer of admission, please submit your \$500 non-refundable tuition deposit by May 1, 2023 or within two weeks of your acceptance for the Fall 2023 Semester. For your convenience, you may submit your deposit online at www.saintleo.edu/deposit; this deposit will be credited toward your future tuition charges. By accepting your admission offer, you will then be granted access to additional items that need to be completed. These include the creation of your Saint Leo student portal and email, completion of your housing application (if applicable), and submission of your registration agreement in order to enroll in classes.

Again, congratulations on your admission to Saint Leo University. We look forward to welcoming you to The Pride. Sincerely,

The Admissions Committee
