LETTER OF RECOMMENDATION

It gives me a great pleasure to write that Navpreet Kour D/o Suchcha Singh Roll No.1411151921 of B. Tech. (CSE) batch (2014-18), is a brilliant student and I am recommending her for admission at your esteemed academic Institution. I had taught Navpreet Kour for three years at Ch. Devi Lal State Institute of Engineering and Technology Panniwala Mota (Sirsa), Haryana, India -125077 affiliated to Guru Jambheshwar University of Science & Technology, Hisar. I have always found her good with academics and willing towards learning new things.

She had been our student for three years and I have witnessed her good attitude and her growth. Since her first year, she had been very ambitious and attentive student. She has consistently earned good grades and was among the top students of her class. She was very serious with her studies and took up all the tasks with full dedication. If you go through her scores and grades, you would get to know that she consistently performed well in all her subjects.

In addition to academic excellence, she also remained an active participant in extracurricular activities. She is a dedicated student and thus far her grades have been exemplary. Over her period of study here, she was an active participant in our discussions, and she always supported her peers.

It is for these reasons that I offer high recommendations for Navpreet Kour without reservation. Her drive and abilities will truly be an asset to your establishment.

Sincerely,

Dr. Sanjay Dahiya
Associate Professor of CSE and HOD
