LETTER OF RECOMMENDATION

It gives me immense pleasure to write about Anjali, whom I have known for about three years, when she joined the bachelor program in arts during session 2017-2020 in Institute of Integrated & Honors Studies at Kurukshetra University, Kurukshetra. As her teacher, I have observed that she is keen and sincere learner. She has a good aptitude for studies. She carried out her work with full confidence, dedication and perseverance.

I found her as a composed, good-natured, amicable, intelligent and a hardworking student with a desire to learn more.

If given a chance, she would prove worthy of pursuing higher education. I recommend her name for higher studies. I wish her success in all her endeavours.

LETTER OF RECOMMENDATION

I am gratified to introduced Anjali who has been my student for the session (2017-20) in Bachelor of Arts. It is during this time that I had ample opportunity to estimate her theoretical capabilities. I found her to be a sincere and hardworking student who is willing to part in lot of effort and care into the task at hand.

I taught her English in her academic curriculum. She tackle tasks given to her with good confidence and make sure to meet her deadlines.

Scaling all this abilities in academics as well as extracurricular, I have come across in this bench. I am confident that she will prove her mettle and prove herself to be a sublime graduate student. I, therefore strongly recommended her candidature for admission into your institution.
