Letter of Recommendation

It is my pleasure to recommend Gagandeep Kaur (University Roll num. 8012210023) an student of B A (BACHELOR OF ART FIRST YEAR) Program of our college my acquaintance with her over the period of first year at the time provided me ample amount of time to study her closely and judge her capability.

She took keen interest in the subject. Her primary objective was to learn as much as possible and implement the learning and the results were always commendable. As a student in class room and labs, I remember Gagandeep kaur to be one of the few who would finish the assigned task much before time.

Over the one year of my observation, I witnessed Gagandeep kaur to grow as an BACHELOR OF ART. Who always wanted to get deep in to the subject and explore it. Apart from academics Gagandeep kaur was equally good at extra curricular activities.

Stating all this about her, I strongly recommend this candidate to your college / University. I am sure that being in your institution she will give her best and prove to be an excellent students.

Thanking you
