(2024) Abhishek

Being naturally inclined toward a business mindset, after completing my 12th commerce studies in 2024, I decided to take some time to explore entrepreneurial opportunities. I became especially interested in investing in and running a franchise business. I learned that franchising will let me become an entrepreneur while benefiting from the support of an established brand and a proven business model. During this year, I focused on learning more about the franchise industry. I studied key areas like brand management, customer service, financial planning, and marketing. I also spoke with franchise owners to better understand the challenges and rewards of running a franchise. This experience helped me realize how important a strong foundation in business management and entrepreneurship is for success. As a result, I decided to pursue a Bachelor's in Business Administration with a focus on entrepreneurship. I believe this degree will provide me with the skills and knowledge I need to manage a franchise successfully and reach my long-term goals as an entrepreneur. I'm excited to apply for the 2025 intake and continue building my business skills.
