Seema LNU

Date of Birth: 19 / 06 / 1998

Student Identification Number: X721530

Dear Seema LNU,

Congratulations! We are pleased to inform you of your acceptance into the Postgraduate Diploma (PGD) in Project Management at the University of California Riverside, University Extension. Your acceptance is valid only for the term beginning Fall Quarter 2023 and ending Spring Quarter 2024.

The Postgraduate Diploma in Project Management at UCR is a graduate level program for advanced Project management students who wish to broaden and expand their knowledge of management theory and practice. The duration of the PGD program is nine (9) months (three academic quarters).

Study is full-time and combines academic lectures, interactive discussions, case studies and research projects as well as professional site visits to Southern California corporations in order to gain exposure to best practices in event management. In your third and final quarter, you will be placed in a ten (10) week Curricular Practical Training (CPT) internship in order to apply your theoretical learning to practice with a business or corporation that is partnered with UCR University Extension.

Once your tuition deposit has been received, you will receive this acceptance letter again with attached documents further outlining information regarding the admission acceptance process and Statement of Intent to Register, F-1 visa application process, mandatory health insurance, student housing options and arrival, registration, and orientation information.

If you become unable to attend the program to which you have been admitted or would like to request a deferral, please contact our Admissions Office for immediate assistance at [iep\\_application@ucx.ucr.edu](mailto:iep_application@ucx.ucr.edu).

On behalf of the UCR community and our global community of UCR alumni, we extend you a warm welcome and look forward to seeing you on campus on September 25th, 2023.

Sincerely,

A blue ink signature of Kevin J. Vaughn.
