GNM - 2020 to Diagnostic Imaging.

8. DAVINDER KAUR (KAMALJIT) 2020 GAP

After completing my General Nursing and Midwifery (GNM) in 2020, I began working as a freelance home care nurse, providing services to patients in my local area. Over time, I expanded my network and reached out to more clients within the city. However, as I gained more experience, I realized that this career path was not fulfilling my expectations. I wanted to broaden my knowledge and pursue a field that would offer greater opportunities for personal and professional growth. After careful consideration, I decided to pursue a Bachelor's degree in Diagnostic Imaging in the USA, and I have applied for the 2025 intake.
