Hello Navjeet,

Thank you for your application! My name is Susan Mertz and I will be your Admissions Counselor as you journey through the admissions process at Indiana Tech. Let me introduce myself by sharing a few facts:

- I have several years of experience in the field of international education. I have studied abroad in Spain, the Dominican Republic, and Sri Lanka. If you have any questions or concerns about life abroad, please feel free to ask!
- I grew up in Fort Wayne. I have a Jack Russell Terrier. I love hiking, reading, and cooking! Please ask me about my favorite thing to cook!

Feel free to share some information about yourself! And if you don't mind me asking, how did you hear about Tech?

For your application, you can upload your documents onto your [application portal](#).

Let me know if you have any questions! And be sure to check out our campus on our [virtual tour](#).

Best,

Susan Mertz
