Q → Q1p.

As

I completed bachelors of arts in the year 2021, after which I started working as a TEFLS trainer and currently working on same role. I have seen many past students of mine, completing their studies from overseas and coming back to India and doing best in their preferred fields. So, for a good growth in terms of knowledge & money, I decided to get MBA from USA which will offer me the roles of higher responsibilities or I can even settle my feet as an entrepreneur.

Q2

Who is your sponsor?

As

My family is sponsoring me for my educational expenses in overseas and also for other expenses.

Q3

What is the source of that sponsorship?

As

My father owns a transport business in the town, he owns various heavy duty vehicles for the transportation of goods with an all India permit. The business generates an annual income of approx 27-28 lacs (\$ 34000). Besides this, we have past investments in properties and saving of approx 26 lacs.
