I found her to be sincere and hardworking who is willing to put in a lot of effort and care into the task at hand.

Ms. Susanna S Joseph is a studious student with high level of academic commitment. Her sound knowledge of fundamentals, a truly remarkable ability to apply theory to practical situations and a high motivation impressed me. She has a good communication skills and maintenance of high academic standards throughout her course are well pronounced. I would rate her in the top 10% students in her subject.
