Recommendation Letter

It is with great pleasure that I recommend Harjot Singh for admission in your esteemed institution. In my two years of knowing him, he has demonstrated leadership qualities.

Academically, he is an extremely competent student. He consistently exhibits dedication and vigor in all that he approaches. He is fantastic with computers.

Perhaps one of Harjot's most outstanding characteristics is his independence of thought and his willingness to express the same.

His leadership skills came to forefront in group projects where he took charge, assuming the majority of the work and responsibility.

Another quality that sets him apart from other student leaders is his strength of conviction.

I recommend Harjot Singh completely. He will make his mark and be known.

Sincerely yours

Anjali Sharma
