MEDIUM OF INSTRUCTION

I Wish to put on record my impression about Ms. Kamaljeet Kaur whom I have known for three years. She was in the Bachelor of Commerce from 2014 to 2017. I have taught her compulsory commerce subjects in English medium.

Ms. Kamaljeet Kaur is a diligent student with a high degree of motivation. I have found her to be a student with good intellect. Her self-confidence is worth mentioning.

I firmly believe that study in institution of your repute will go a long way in a giving expression to her potential. I wish her all the best in her future endeavors.
