### LETTER OF RECOMMENDATION

This is to certify that Ms. Manpreet kaur D/O Joginder pal, resident of H.no. 101, ward no. 12, Fatehgarh churian, Distt. Gurdaspur was a student of our college during 2016-2018 session.

She has passed her M.tech in CSE (2 year course) from this college under university roll no. 2016CSB2069 and Regd. No. 2016.RJ/A.120. I have been his professor for the subjects of "Paralled computing", "Advanced cloud computing". She was brilliant student during her academic years.

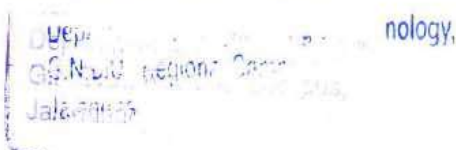

She was well disciplined and hard working student performing well in all sections, academics and co-curricular activities. She had also been extremely active as a student volunteer in the organization of Technical Festival at our Institute. I never heard any complaint against her. She was a sincere, cooperative and friendly student.

It gives us great pleasure to recommend her for the higher studies admission and programmes abroad. If her performance is an indication of how she would perform in future, then she will definitely be positive addition to your university. My best wishes are always with her.

Please contact me for any further information  
Sincerely,

*Neena Madan*

### TO WHOM IT MAY CONCERN LETTER OF RECOMMENDATION

As an assistant Professor of Engineering & Technology Department it gives me immense pleasure to write the recommendation letter at request of Ms Manpreet kaur who is applying for higher study in abroad.

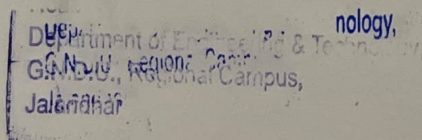

Manpreet is quite ambitious and career driver. She works hard to achieve her goals and is committed to her work. I have known her for 2 years. I have been her professor for the subjects of "Database Management System", "Computer system architecture & organization". Based on her grades, attendance and class participation, I would rate her academic performance in my class as amongst my good student. She is extremely organized, reliable and hard working. She is able to represent creative ideas, implement them successfully in a team. She has a strong knowledge of the fundamentals and the ability to visualize a problem in a panoramic view and applies the concepts.

Over the time Ms. Manpreet kaur has consistently performed her duties with competence and doing more than expected.

I am fully confident that she will prove her worth enough at your institution and fulfill at the requirements that are expected from a positive student. I am certain that she will keep up to her potential and bring laurels to your institution. I wish all the success in her future endeavors. If you have any query regarding her recommendation, please do not hesitate to contact me.

Regards,
