Letter of Recommendation

It is great pleasure to recommend Nitika Saini for admission to your institute. I taught her in the graduation and she possesses good communication skills and leadership qualities. She was good in her studies as well as efficient in practicals. She has keen interest in Botany and Zoology. Her advanced skills and passion for these subjects make her an ideal fit for your rigorous program. Nitika Saini has a sharp perception and high aptitude for her learning subjects. She is driven to understand how things work. She has been an active participant in science fairs, eager to share her knowledge with the others and learn new skills.

Nitika's personal strengths are as impressive as her practical skills and creative ideas in any endeavour she undertakes. She's an active, outgoing with a great sense of humour. She also has the attitude that how to sit back and let other take the lead. Her cheerful nature and candid behavior shows that she is always learning and growing as a learner. Hence, I strongly recommend her to be considered as a potential candidate for admission into your esteemed university.

Mohit Aggarwal

Asstt. Professor
Dept. of Science
