## LETTER OF RECOMMENDATION

I am glad to know that one of my students RISHAB CHAUHAN S/O SH.PARMINDER SINGH and USHA RANI bonafide student of Class 12<sup>th</sup> session 2021-22 from C.B.S.E. wants to join your undergraduate program for the next coming academic year.

It is with great pleasure that I am writing this letter of recommendation for RISHAB CHAUHAN. I have known him since 2019. He is a regular student. During his course of studies in the school I had the opportunity to closely interact with him.

RISHAB CHAUHAN is a responsible and well-behaved child. He has performing well in academics. He has good communication skills and his peer group adjustment was commendable. He possesses a leadership quality which is very aptly manifested in his being given various responsibilities in the dorm. He is a confident, hardworking, and well-disciplined child and during his stay in the school was a role model to many children. He has a good sense of humor, and his interpersonal relationships were cordial.

I recommend RISHAB CHAUHAN strongly to the undergraduate program at your university. He was fair and just in his dealings and carried his extraordinarily during his stay in the school.

He took academics and co-curricular activities very seriously and conscientiously.

I am positive that he will be an asset to any school/college/university/organization which he joins for furthering his career and I wish him the very best for future.

Yours truly

(HARPAL SINGH)
