

To Whomsoever It May Concern

This is to certify that Mr. Aman (185657454) was a bona fide student of this University since July 2018 and has successfully completed his Bachelors programme with specialisation in Political Science and History.

I am happy to write this recommendation for Mr. Aman who has completed his degree programme within the minimum stipulated period despite the difficulties arising from the Covid pandemic. Although he enrolled for a distance education programme, Mr. Aman has been visiting the faculty at the University headquarters. In the limited interaction I had with him. I found Mr. Aman to be someone having conceptual clarity and interest in current developments in India and abroad. He is fluent both in English and Hindi.

I strongly believe that Mr. Aman is well prepared for graduate school on account of his demonstrated resilience, intellectual curiosity and academic preparation. With sincere conviction, I recommend that he be selected for graduate studies in your esteemed institution.
