

With endless advances in modern accounting world there is a great need for professionals with a critical thinking, technical and analytical skills to improve the business sector.

I am **Dharmpreet Singh** resident of **Fatehgarh Sahib, Punjab, India**. I completed my **Matriculation** from **Punjab School Education Board** in **2019**. Further I pursued my **Senior Secondary education** from the same board in **2021**. I have always had a keen interest in business and Management. Therefore, I have decided to take a step further and study **BS in Business Management**.

USA is one of the best nations to consider when planning studying abroad. The education system in United States is crafted and designed in a manner that it is the best education system in world. Though none of the education system is perfect and the USA is no exception to this rule yet, it is one of the superior systems. With a variety of benefits to offer USA is my choice since it provides quality education, unique curriculum, and multicultural environment. The education system is flexible and provides abundant opportunities. The lively and vibrant campuses, cultural diversity and hospitality offered the international students are impeccable and add up to make USA a dream study destination.

USA has a good number of universities to choose from. After an in-depth research I have selected my dream college **New Haven University, USA**. With a top-notch faculty and infrastructure it is one of the best universities in the states.

The university offers a proven, purposeful education, which, through professionally focused courses of study, equips students with the critical skills, knowledge, and experience essential for meaningful careers and productive life. The culture of the varsity is comprehensive, value centered learning experience emphasizing on faith, leadership, inclusiveness and personal development. I have chosen to pursue **BS in Business Management**.

I will have a variety of career opportunities open for me in my home country. With a degree from the prestigious varsity I will be able to create a better impact in my chosen field. With cut throat competition and increasing demand for good business development skills this degree will be a valuable asset for me. The scope of management outlines the management steps that a company requires to control work processes, complete projects and deliver

products or services. The management steps can include planning and carrying out the project tasks, goals and deliverables. A degree from your prestigious varsity will help me outshine in my chosen field and gain a better grip over my career goals.

Yours Truly
