(2016)

Driven by a strong desire to work in the corporate sector, I completed my BBA in 2016 and began exploring the field of recruitment. In this role, I sourced candidates through platforms like Facebook, job sites, and other tools, screened profiles, assessed qualifications, and matched candidates to organizational needs. Collaborating with hiring managers, ~~I gained hands-on experience navigating the recruitment lifecycle, from identifying talent pools to negotiating offers.~~ This role sharpened my analytical and interpersonal skills and I also realized that HR plays a much broader role, encompassing employee engagement, talent development, and fostering a positive work environment. These insights inspired me to pursue an MBA to deepen my understanding of HR. I plan to specialize in HR during the second semester to gain the advanced expertise needed to contribute meaningfully to this vital area of the corporate world.
