RECOMMENDATION LETTER

I have known Ms.Parwinder Kaur D/o Sh.Balvir Singh in the capacity of her teacher from 2014-2018, when she joined in the B.Sc Nursing as a student. I have taught her both theory & Practical classes during the course. I found her very hardworking & sincere student who showed keen inclination towards learning the subjects & cleared the course with good grades. She took her studies very seriously from the very beginning. Studies for her were not just a means of secure job but a burning passion. She depicts a good sense of teamwork and co-operation, which was evident while working on various projects.

Ms.Parwinder Kaur was a very diligent, hardworking, sincere student worth remembering. I am confident in giving the right opportunity that she would prove to be an organization asset to your university/Institute & strongly recommend candidate for admission to your University/ Institute.

RECOMMENDATION LETTER

I am writing this letter of recommendation to **Ms. Parwinder Kaur** regular student of **Mata Sahib Kaur College of Nursing** in B.Sc Nursing, session (2014-2018) under the roll no.50834744. In my four years of working with her, she has demonstrated the qualities necessary for success in the demanding academic atmosphere of a high caliber college as the social skills needed to be successful in college.

She is an all-rounder, who consistently exhibits dedication and vigor in all that she approaches. She has a brilliant and lightning and Ms.Parwinder Kaur quick mind; one with great charisma and leadership skills.

Perhaps one of most outstanding characteristics is her independence of thought and her willingness to express those thoughts. She was always an active participant in class discussions.

Her other qualities are of equal magnitude- her leadership skills came to forefront in group projects where she took charge, assuming the majority of work and responsibility, ensuring that everything was completed in a timely manner and to her extremely high standards. She also has the ability to encourage other quiet and shy students and actively engage them in class activities. I went out of my way to partner her with other students who needed her kind of attention and encouragement.

Another quality that sets her apart from other student leaders is her strength of conviction. She will argue on any topic that has touched a nerve. She breathes with raw, unbridled passion. She is honest, never stooping to cheat; she is entertaining, relying on wit, knowledge and intelligence to persuade. Friends rely on her; she is attentive to their true needs. Teachers enjoy her in their classes.

I strongly recommend Ms.Parwinder Kaur completely, with no hesitation. She will make her mark and be known.
