### LETTER OF RECOMMENDATION

This is my pleasure to write the recommendation letter for Sanket Samdhyam who is pursuing Bachelor's in Business Administration with specialization in Artificial Intelligence and International Business in Amity University Noida. I teach him Marketing in Digital Age and I found him very sincere, diligent and attentive in class. His positive and active participation in the class brought newer aspects in many discussions. Sanket Samdhyam is an outstanding individual with a strong character. With motivated attitude he has the ability to produce impressive results in a wide variety of areas. He has excelled in his academics.

He has good communication skills. He has strong moral and ethical standard. He has always displayed considerable dynamism during discussions. He has right temperament required for research and I can assure that if he gets the right exposure and environment, He will meet enormous success in his post graduate study at your university campus. I remember that, He is one of the most confident and energetic student of our college. His aptitude for learning, sincerity and his probing quality are some of the strong points worth mentioning.

In addition, he has the ability to manage and organize his time and schedule around different activities without interfering with college. I'm sure you will find him to be a student whose talents will only shine further through your Graduation program. I will highly recommend his admission to your university. If you would like any further information, please be free to contact me.

  
Dr. Aditya Kumar Gupta  
Associate Professor, AIBS
