The power that ignites a soul to carve a niche in the society is the same which takes it to pinnacle. This helps to stay determined in life. Bearing the similar passion I introduce myself as **Harmandeep Kaur D/o Kashmir Singh** residing in Ambala Haryana. Since childhood I was a studious person and always had vision to establish my career. Coming on to my educational background, I have done **Matriculation in 2010** and **Senior Secondary in 2012** from **Punjab School Education Board**. Then, I took admission in **Bachelors of Science in Nursing in 2016** from **Anand College of Nursing for Women, Amritsar, Punjab, India**.

USA is a beautiful and well developed nation. USA is one of the best nations to consider when planning studying abroad. Apart from the scenic beauty and other excitements to offer USA has the best education system in the world. The quality of education along with the advanced technology provides the right skills and knowledge a person requires for excelling. It offers top-notch education by the top educationists. With a variety of benefits to offer USA is my choice since it provides quality education, unique curriculum, and multicultural environment. The education system is flexible and provides abundant opportunities. The lively and vibrant campuses, cultural diversity and hospitality offered the international students are impeccable and add up to make USA a dream study destination. USA has a good number of universities to choose from. After an in-depth research I have selected my dream college Gannon University for Masters in Healthcare Administration program, USA.

The program which I am applying for is MHA, which is a professional degree program. Student like me can get the complete knowledge of business and a commitment to take care of the enterprise, its patients, families and its employees. I can also get the knowledge of the particular education, tools and resources to help to gain knowledge of employment. This University is also known for its faculty, who are recognized as leaders in the field of healthcare

administration and Innovators in the classroom. I can get local as well as global community Interaction through classroom projects, research and Internships.

In this program I can learn the various course contents like the program Introduction, Healthcare Services Marketing, Quality Management in Healthcare Services, Healthcare Information Systems and Technology, Healthcare Management and Leadership, Healthcare research and Quantitative Methods, Healthcare Law and Ethics, Healthcare Finance, Operations and Supply Chain Management, Human Resource Management etc.

The successful completion of this degree will provide knowledge and skill set gained during my study tenure will help me to climb faster the ladder. Along with government healthcare centers, different private hospitals are competing to offer the best healthcare services all over the country. In this respect, the demand for professional healthcare administrators is increasing enormously. The scope to work in reputed organizations is also vast as these are not confined to certain. I believe that I have taken the right decision and after graduating from your renowned institute I will become an accomplished professional.
