## LETTER OF RECOMMENDATION

It is my great pleasure to recommend Kavita D/o Sh. Virender for admission in your university. She attended the school in 12th class.

As Satish's teacher, I witnessed her extraordinary determination, creativeness and energy first hand. She's well loved by her peers as well as those who had pleasure of teaching her.

During this time, I watched her grow into outstanding individual who excels in both her academic and personal pursuits.
