

Office no: 3035

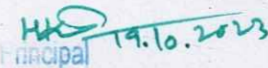

Date: 19-10-2023

MOI

This is recommendation supporting the application of Komanjot Singh Tiwana s/o Gurkirat Singh. He has passed class XII Science stream in the session April 2022 vide roll no 2022023290. His medium of instructions was English and He studied English as compulsory subject during his course.

As the Principal of this institution, I would like to elucidate that he has been a good student. His academic performance has been excellent. Before writing this letter, I sought the feedback of some of his teachers and found that he has a fairly good rapport with them. He seems equally comfortable with his peers. As per my understanding that he intends to pursue a graduate degree in your college/university. I believe that his hard working nature will make him a suitable candidate for your program.

I wish him all the best for the future.
