## LETTER OF RECOMMENDATION

I am pleased to recommend **Somya** D/o Mr. Manoj Kumar of our school for her higher education abroad. As her school Principal, I have watched her develop both academically and personally into a mature individual.

**Somya** is bright, energetic, compassionate and genuinely well rounded. Her grades have been exceptionally good in all her courses and she has actively participated in a diverse assortment of extra curricular activities.

She has always been eager to learn and enthusiastic about the new concepts that came along during the course. I think her strong interest will help her to achieve great things in future.

Outside the classroom **Somya** has participated in many extra Co-curricular activities such as debates, quizzes etc. Her ability to participate in multiple activities and excel in doing so shows a great sense of commitment instilled in her.

With full confidence in her abilities, I strongly recommend **Somya** for her higher studies abroad .

I wish her good luck and success in life.
