Ans:- I got my admits or acceptances from both of the applied universities but I selected CSU Fresno for my further studies.

Ques Why USA?

→ The unmatched opportunities for personal and professional growth only offered by US education system. The USA is a global leader in research and innovation. Universities encourages students to engage in research projects. I will have access to cutting edge research facilities and opportunities to contribute in ground breaking projects. All these reasons made me clear to choose USA for my further studies.

GAP:-

upon the completion of senior secondary in the year 2017 I got engaged as per my parents wish and wedding functions made me busy and I was not able to continue my further studies and in the year 2018 I got married and after a year I gave birth to a ~~bad~~ baby boy which made me indulge in his responsibilities and due to lock down in the year 2020 I was unable to continue my studies. However, I was very passionate about my studies so after a ~~stabled~~ situation, I continued two diplomas of technical field. But still.

I was not satisfied with skills I gained in my field by the Indian Institutions. So, I shared my wish to study in USA with my husband. He supported me with my dream and now I applied for the present 2024 intake.

Ques who is your sponsor?

→ My In laws family is going to manage all my studies and living expenses over USA.

Ques what is the source of sponsorship?

→ My husband and father-in-law are funding me with the help of past savings of 50 lakhs. \$ 61000. My husband runs our family business of tour and travels where they provide luxury cars on rent for weddings or the other events. He is having 6 to 7 luxury cars for business purpose and 4 to 5 cars are used for taxi service and he earns 24 to 25 lakhs \$ 30000 per year.

Ques How this program related to your previous studies?

→ In my previous diploma I only learned about how to operate and manage the use of hardware systems, networks, setting functional controls and codes
