Date: 27.09.2022

LETTER OF RECOMMENDATION

It brings me tremendous joy and happiness as I introduce **Ms. Reena Rani**, a B.Tech (CSE) student at Chandigarh Engineering College, Mohali which is affiliated to Punjab Technical University to you. As her professor, I've known her for almost two years and consider her to be one of her class's sharpest students.

Ms. Reena has been under my direction for a year and has maintained good academic standing throughout her studies. I taught her a System Programming course in her fourth semester. Her outstanding analytical and logical thinking has amazed me. Her grasp of the fundamental notion undoubtedly aided her in improving her grades in class. She has a solid mix of theoretical understanding and practical adaptation. What strikes me the most is her hardworking personality, sincerity in broadening her knowledge base, and strong work ethics.

Ms. Reena comes highly recommended by me for your prestigious institution's curriculum. Her determination to succeed in life will certainly make her a valuable student at your school. If you require any extra information about Ms. Reena's candidacy, please contact me. I'd be pleased to work with you.

Yours Truly,

Maninder Kaur

Head of the department
Department of Computer Science & Engineering
Chandigarh Engineering College, Landran
Mohali, Punjab - 140307
