## LETTER OF RECOMMENDATION

I understand that **Jasmeen Kaur D/o Jaswant Singh** is applying to your institution for further studies. As Faculty member of Bachelor of Science of the institute, I had frequently interacted with her and observed her as well. I find her to be promising student. I would like to offer assessment of her capabilities for your consideration.

I am pleased to write this recommendation letter in support of **Jasmeen Kaur D/o Jaswant Singh** was our student during the session 2014-17. She passed her B.Sc (Non Medical) from Sachdeva College for Girls, Mohali affiliated to Punjabi University, Patiala under Regd. No. 6127-14-408. She is applying to your institution for further studies.

Shortly, after she joined this institute the teachers were able to deduce that the institute had admitted the young girl who possesses qualities that were a cut above the rest. Time again we observed her strong reasoning skills during her discussion in classroom. During the course of her studies her Grades were very good.

I strongly recommend her admission for higher studies. I sincerely shower my blessings and wish her success in whatever field.
