Q Goal justification?

Ans I ~~can~~ have seen various big entrepreneurs investing in companies in return of equity and seeing them. I also decided to join the field as an investment banker. To groom my skills, I followed an online learning platform named Udemy, where I learnt about building financial models, private equity and commercial banking. Commerce was my past background and learning all these topics was quite interesting, however, to ~~be~~ pursue my bachelors, I kept in my mind to be different and learning accounting from USA can fulfill this wish of mine.

Q Future goal?

Ans After the completion of my masters from USA, I will return back to my home country and plan to work as a investment banker in of the top organisation in my own nation.
