Dear Admission Committee,

It is my great pleasure to recommend Twinkle for admission to your University. I have know Twinkle for two years. He passed 12th (ART) in session (2019-20)

During this time I watched Twinkle grown into an outstanding individual who excels in both his academic and personal pursuits.

As a teacher and adviser, I found him to be industrious student who handles studies and co curriculum activities together with comport. His sense of responsibility and management skills are impressive.

I highly recommend you accept twinkle in you university .I am confident that he will make an excellent addition to your University community. Please feel free to contact me if any question regarding his character or past academic work.
