Director IT Cell KUK

TO WHOM IT MAY CONCERN

I am writing this letter to enthusiastically express my recommendation for Mr. **SAHIL KUMAR** S/o SUKHVINDER SINGH. He has been student of Computer Science and Applications Department in the Institute. He has appeared in **Bachelor of Science** in the session 2017 – 2020 under Roll no 170042224 having Registration number 17-UC-548 and completed the Program.

Medium of instruction is English during the Program as per Kurukshetra University Ordinance.

As a head of Computer Science department at IIHS, I supervised Mr. **SAHIL.** He would be a great asset to technology and management programs. He had eagerness to learn new things. His programming and communications skills are very impressive.

I believe that **SAHIL KUMAR** will be an excellent fit for your program.

Any queries will be appreciated.
