## LETTER OF RECOMMENDATION

As a Head of the Department (Information Technology) at Goswami Ganesh Dutta College, Chandigarh, I am delighted to write this letter of recommendation for **Ms. Raman** for pursuing her Master in your illustrious university. I have known Raman since 2016 and hence I can confidently discuss her skills and qualities. She is a highly motivated and sincere student and I am proud to have a student like her under me.

I taught her Information Technology for the three years during her graduation in Bachelor of Science in Information Technology (2016-2019). It is during this time that I had ample opportunity to estimate her theoretical and practical capabilities. She is a talented coder and has assisted some of my fellow lecturers in their projects. She has a deep knowledge of various programming languages. I noticed her eagerness to learn new things. She has always been clever about her concept and she never hesitates to ask questions if she does not understand any topic.

Alongside her academic performance, Raman has portrayed great enthusiasm in Inter College competition and tournaments, and has never missed a chance to win the institute its glory. I can assure you that Raman will continue her efforts in being a valuable part of the student body at your esteemed university and simultaneously shine as an individual.

The most striking aspect of her personality is her proper planning and positive attitude with which she approaches the task and projects in an efficient manner. She surely is a well deserved candidate and I sincerely believe she will bring her optimism and tireless creativity to your class and university as a whole.

Hence I recommend Ms. Raman for a Master degree at your institution. If you need any additional information feel free to contact me.
