Dear Mehakdeep Singh,

Congratulations on your admission to Whitworth University! We look forward to having you join our Accounting program for spring of 2024!

We are excited to welcome you into our community where students are invited to grow academically, explore a meaningful faith and develop friendships that last a lifetime.

To guide you in the journey to become a Whitworth Pirate, we are attaching the “**Next Steps**” checklist. This document outlines what to do throughout the admissions and financial aid process, including how to submit your **\$1,000** enrollment deposit to reserve your spot in Whitworth’s 2024 incoming class. This deposit serves as an **advanced tuition payment** and is **not** an additional fee.

Please see your Whitworth username and password listed below and save this information. These give you access to your application status page (whitworth.edu/app-status) and other important online forms:

Username: **mehakdeepsinghlnu28**

Default Password: **m2450260L** (Note: If you have already changed your password, please use the new one you created.)

We are thrilled that you are admitted to Whitworth and are one step closer to joining our campus community. If you have any questions about the process or about Whitworth, please contact your personal admissions counselor, Trina Allen, at tallen@whitworth.edu or 509.777.3385.

All the best,
