SECTOR 30-C, CHANDIGARH-160 030 (INDIA)

An Autonomous Government Institute Duly Approved by AICTE, New Delhi

Date: 20/09/2023

Letter of Recommendation

Mr. Harshpreet Singh has been a bonafide student of this institute from 2019 to 2022. It's a pleasure to evaluate him as an applicant's teacher for undergraduate study in your university.

I have taught Harshpreet Singh "Computer Technology & Applications" subject during his three year diploma study and have also been his class In-Charge during his third year study. Within this brief span of time, there have been numerous instances when we have closely interacted and he has always struck me as a bright, diligent student.

Finally, I must say that most of the faculty members here found Harshpreet Singh displaying characteristics indicating that he is a person who will always put his best foot forward. I am confident that just as he was pride to us in our institute. He will be a pride to whichever university he joins. As one of the teachers responsible to some extent in molding him.

I strongly recommend him for the graduate studies in your university.

I wish him all the very best

Madan Lal
